

# NATURAL WONDERS OF COSTA RICA

*Especially Created for the South Platte Park and Carson Nature Center*

**South Suburban**  
PARKS AND RECREATION

February 24 – March 5, 2007

Costa Rica is a paradise for adventure-seekers, birders, and nature lovers. This small country, nestled between North and South America, forms a lush living bridge of exotic flora and fauna. It has an amazing variety of climates, incredible wildlife-watching opportunities, erupting volcanoes, natural hot springs, palm fringed beaches of the Caribbean to the Pacific coast, and luxurious cloud forests, plus some of the friendliest people in the world. You will experience it all on this ten day adventure including boating, hiking, canopy walking, and motor coach touring. Nowhere in the world is it easier to be "one with nature" than in Costa Rica. Join us as we explore the incredible diversity and natural wonders of Costa Rica.
