# KENYA WILDLIFE SAFARI - SUPERSAVER

## FEBRUARY 7 - 19, 2009

*Especially Created for the Philadelphia Zoo  
In Cooperation with The Toledo Zoo*

Kenya's many wildlife reserves, its tribal cultures, and fascinating history make this former British colony an exotic destination. With its great diversity of scenery, ranging from snow capped peaks to tropical forests, lush grasslands to scrub-covered desert, and fertile farm land to arid bush, Kenya is one of the most beautiful countries on the African continent. The main attraction is the immense variety and numbers of animals and birds that roam freely across the vast and striking landscapes. All of this coupled with rustic but luxurious accommodations will transport you to a different world and time, and a safari adventure you'll never forget.
