June 19 – July 2, 2005

Sail with Sally for stimulating new adventures & fun while relaxing on this luxurious cruise

From the canals of romantic Venice to the bustling boulevards of Barcelona, explore the shimmering Mediterranean for 12 nights aboard Celebrity's *Millennium*. This voyage will travel to the lands where Europe's earliest civilization flourished. On the first stop enjoy the beautiful walled medieval city of Dubrovnik founded 1300 years ago. After a relaxing day at sea, dock at Piraeus, Greece for an excursion to the classic city of Athens. Here we experience the unbelievable Acropolis and other ancient ruins. Santorini glistens in the sun as it awaits you on the next day. Whitewashed homes and windmills cling to the hillsides of this photogenic Greek island.

Beginning in Naples, enjoy incredible renaissance architecture and famous masterpieces. After a ride through the lovely Tuscan countryside you will be in Rome to experience the Vatican, Pantheon and more. Excursions are also available to Pisa and Florence from Livorno. Our port of call in France is the upper town of Villefranche-sur-Mer. A scenic drive along the elegant French Riviera will take you to the pebbled beaches of Nice. Sunny Spain at Barcelona with its ancient and modern architecture welcomes passengers at the end of the journey.
